

Remarks

Upon entry of the foregoing amendment, claim 21 is pending in the application, with claim 21 being an independent claim. Claims 1-20 are sought to be cancelled without prejudice to or disclaimer of the subject matter therein. New claim 21 is sought to be added. These changes are believed to introduce no new matter, and their entry is respectfully requested.

The specification has been amended by deleting Charts A1-A14, B1-8, and C1-C5 of the specification, and adding new Figs. 6-32B (formerly Charts A1-A14, B1-B8, and C1-C5). Because the new drawings were formerly incorporated in the body of the specification, Applicant respectfully submits that no new matter has been added.

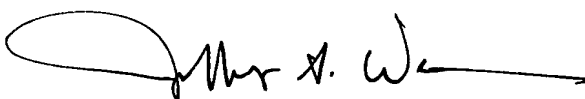

If the Examiner believes, for any reason, that personal communication will

expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Preliminary Amendment is respectfully requested.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
